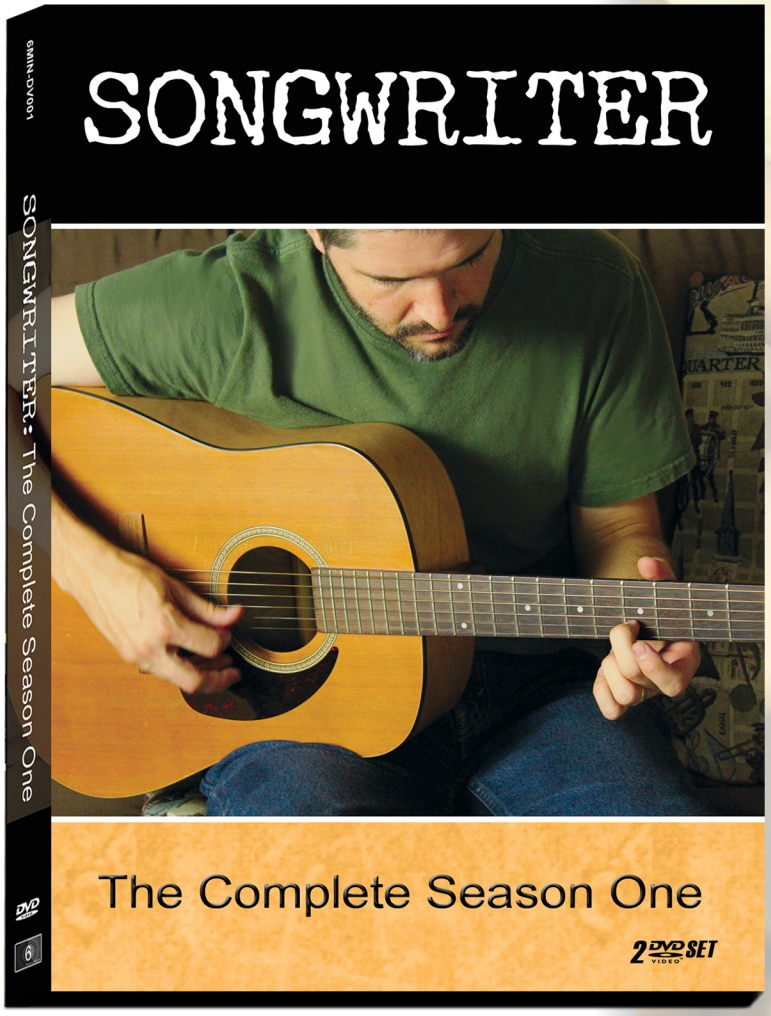
Be A Songwriter

Finally... a series to help songwriters fine tune their craft.



Songwriter: The Complete Season One provides an insider's look into the creative process few ever see.

Featuring extensive interviews with Nashville-based professionals, *Songwriter* takes you from 'idea-nuggets' through the development of theme, melodic progression and the writing of dynamic lyrics. This first season consists of six episodes featuring musical styles including folk, rock, country, hip hop and progressive.

Topics include rhythm, emotion, influence, inspiration, technology, collaboration and more; all designed to assist you in creating and refining a song.

The 2-disc / 3 hour series features solo artists, songwriters and bands including Pageant, prattle on rick., Froskull, Brad Pounders, Rio and Them Vibes.

Bonus Material includes "Story Behind the Song Videos" and performance videos

Huge target market!
600 people per week register with ASCAP as NEW songwriters.
ASCAP reports over 470,000 Songwriters in their membership.
BMI reports 600,000.
And then there are the millions who are alone!
