"THE DONOVAN CONCERT: LIVE IN L.A." DVD

The DVD version, expanded from the PBS broadcast, includes David Lynch's introduction (the concert was a benefit for the David Lynch Foundation for Consciousness-Based Education and World Peace), clips from Donovan's career and four delightful bonus songs. The evening is a kaleidoscopic celebration of the singer-songwriter's flower power magic. His enduring appeal can be heard on such tunes as "Universal Soldier," "Jennifer Juniper," "Season of the Witch" and "Catch the Wind." Donovan's anecdotes are equally charming. Joining in the ethereal aura are his daughter Astrella Celeste and Beach Boy Mike Love.
