MICHAEL ROSS ALLEN
VICTORIA, BRITISH COLUMBIA, CANADA

I am currently a

2nd year English/Psychology student at Camosun College with a passion for writing (Greek Tragedy, Shakespearean Literature).

I write for the Internet Movie Database newsdesk and right now I am looking for films to review and interview opportunities to promote independent films in general. As well, I write custom press releases for independent horror and thriller films looking for distribution or promotion. I am also looking for those interested in advertising on this site (18,000 pageviews/month and growing) with banner ads at 9.95 per month. So, send me your screeners for review, or requests for press releases, or advertising ideas by contacting me at the e-mail listed below. My contact details are currently in my profile (click below). Thank-you for your support of this website and your belief in independent horror filmmaking - Mike.
