I AM VIRGIN

I Am Virgin...After surviving a devastating global epidemic, lonely virgin Robby finds himself hunted down by the only other survivors of the lethal virus -- impossibly hot women who have turned into blood-crazed, sex-obsessed vampires. Can Robby keep himself pure, or will he succumb to the lusty bloodsuckers and doom himself to their fate? Sean Skelding directs this ribald comedy that features a cameo by porn legend Ron Jeremy...THIS IS NOT A VERY GOOD MOVIE BUT REALLY FUN. IF YOU LIKE GIRLS, BAD ACTING AND WRITING THEN THIS DVD IS FOR YOU. THE COLLEGE CROWD WILL LOVE HIS MOVIE. IT COMES IN ANAMORPHIC WIDESCREEN AND 5.1 SOUND MIX...With 12 Additional Minutes Not Seen In The Theatrical Version...
