5 months ago, I reviewed Ultimate Death Match. I gave it a 1

out of 10. I

completely destroyed the film. In my review I talked about being a die hard wrestling fan and felt his film was made 10 years too late and that it seemed dated. Now comes the sequel. UDM 2. This time it was a million times better. First off, let's be honest, to the mainstream pro wrestling seems like a joke. Labeled as fake and silly, how many people admit they watch this sport and take it serious?

I am a fan. And while I see the silly aspect such as HHH is the Chaperone or maybe John Cena ice cream bars. I also see the serious side, deaths,

injuries and the falling from grace of many of my favorite stars of yesterday. I mean go to youtube, they are always wanting to show a Scott Hall, Iron Sheik, Jake Roberts or even Teddy Hart when they seem out of it, or doing something absolutely insane.

This film for me worked. Why, cause I mean the concept is silly, one person wins 10 million and one person will die. Seriously, you get off free and clear with 10 million and killing someone? But, whereas the first one was a bad experiment. This one was really fun. First off, I am a huge Shane Douglas fan. To put a mic in his hand, you can hear cash registers just ringing. And it is sad he will never get the respect he deserves. You never heard Hogan when we was in the WWF call out WCW wrestlers or vice versa. But, you had a ECW wrestler call out the whole business to fight him.

Ultimate Death Match 2 review « Wicke...

This had Dan Severn, Kid Kash, Johnny Swinger, Sandman Shane, Lodi, (or Idol as he later deemed himself) Raven, and Kevin Nash among others. And, to me the thing that made this film special...my hero. Jimmy Valliant. I cried to see him in the beginning cleaning a ring. Talk about someone who should have millions in the bank and living well. And you almost can picture this is what he is really doing these days. The film also had a video game feel, with some of the finishing moves. That I really dug a lot. Shawn Cain (who also stars as Jake) has really made such a great wrestling film. I can list this in the same breath as Beyond the Mat and The Wrestler. It was a good time. The matches were not half bad, the ending was cheese but still fun. And the commentary this time was a million times better written, as you can tell Al Snow had a blast this time. I am stoked about part 3. And a personal victory, this dvd can be bought at Wal Mart. For indie films that is huge. The change of venues, the crowd, the lack of sub plot, really built this wrestling match as something fun without hokey distractions.

7.9 out of 10
