Win The Kinks DVDs

'You Really Got Me: The Story Of The Kinks' could be yours

Competition Ends: 21/05/10

Competition Dates:

06.05.2010 - 21.05.2010

With all the hullabaloo over Blur's recent limited-edition comeback single (see [HERE](#) for details) it's perhaps the perfect time to revisit the band who provided the major influence for Damon Albarn and co.

You Really Got Me: The Story Of The Kinks is a new documentary DVD telling the full story of the band whose surprisingly long career also set the template for feuding musical brothers. Featuring interviews with Ray and Dave Davies plus other major players, it takes you from the early R&B days in

North London to the American stadium-filling success of the early 1980s, with numerous cast-iron classics and a few very odd videos along the way. Modern music wouldn't sound the same without them.

We've got 5 copies of You Really Got Me: The Story Of The Kinks to give away.

Simply answer the question below to be in with a chance of winning.

-

By entering this competition you will be added to our database to be sent ClashMusic's weekly newsletter. If you wish to unsubscribe from it, simply click on the link at the bottom of the newsletter.

Complete the classic Kinks album title. 'The Kinks Are the Village BLANK Preservation Society'?:

- ☐ Green
☐ Hall
☐ Pub
