5.0 out of 5 stars **THE BEST THRASH SINCE SLAYER**, June 18, 2009

I first checked out Predator out on their Myspace page and I could not wait for this CD to be available. I listened to the songs on their page everyday like an addict in need of a fix. This stuff is very addictive. Their songs just rip right through you like a knife. This band is truly amazing, a word many have used to describe them on their comment page. One thing that stands out is their clever and poetic lyrics that cover many life subjects. Someone had told me about them and when I heard them I was completely blown away! The lyrics are written as if the poet has a dagger in his heart, giving you a front row seat of the pain, tears, rage, and overall connection to the songs. This stuff is absolutely brilliant. Closet Anti-Christ is by far the best metal song ever written!

Check out this heavy metal CD from an awesome South Florida band. Their music and lyrics rock! I hope to see them in concert some day.

5.0 out of 5 stars **THE MOST AMAZING METAL BAND EVER!!!**, June 16, 2009

By [FRANK DAVIS "TRUE METAL HEAD 4 EVER"](#) (FLORIDA) - [See all my reviews](#)

WOW!!!!!!

Predator IS AMAZING! I just ordered this cd from this amazing band after checking them out on their My Space page: [...] . I was immediately blown away by the power of this band. All the songs are great and their musicianship is BRUTAL..... to say the very least! I can't wait to see what they can do live in concert and I can't wait to hear what their next cd will sound like. Predator has accomplished with their first cd what many other bands take to do three to four albums later: They have created a classic metal masterpiece!!!!

Predator rocks!!!!
