

THE HANGMEN (EAST OF WESTERN) CD O.K. THE HANGMEN are one of the greatest bands out there, whose sound is just so raw and dirty most people probably won't understand this band's greatness. Well the new record "East of Western" is just another good down and dirty record with killer songs like... homesick blues, had a girl, drink smoke, betrayed, railroad man, and more great songs that will take you to the dirty side of rock n roll down all the bad streets. Well THE HANGMEN rock sound are like dirty needles that gives off a GUN CLUB, CRAMPS, JOHNNY THUNDERS, SEAHAGS, TEXAS AND THE HORSEHEADS, SOCIAL D feel all rolled in one, but with their own bad ass style added in. This is rock n roll from a real band of street survivors with dirty tales of rock n roll to tell.

So for a dose of rock n roll with a sleazy edge of punk, rock n roll, cow punk, and voodoo than check out this band who will take on down those streets that most bands won't walk down. (EX+/GREAT) ROCK N ROLL ACETATE (BW)
