THE HANGMEN to Release New Album 'East Of Western' May 8th

News // Album News » by: Chee Kam on Apr 13, 2012 at 11:35AM

Like

Musical trends may come and go, but the Hangmen keep moving forward heedlessly with the headlong momentum of a runaway train. The quartet's new album on Acetate Records, 'East Of Western' (to be released May 8th, 2012), smashes together lead singer Bryan Small's lurid love songs with unsparing, unsentimental blasts that shine a baleful and penetrating light into the dark and seedy corners of modern-day Los Angeles.

The Hangmen have always been a unique group that can't be easily pigeonholed, and 'East Of Western' captures all of their different sides.
