Kites With Lights - The Weight of Your Heart CD EP Review

DOWNLOAD: [Kites with Lights - "The Weight of Your Heart"](#)

Kites With Lights' debut five-track EP, *The Weight of Your Heart*, was released last August but its sound fits perfectly with the techno-pop bands from the early to mid 80's.

Kites With Lights is the brainchild of one-man band Jonah Cordy who gives each song a full sound that would fit perfectly alongside bands like New Order, OMD and Dream Academy. Jonah has a cool and subdued voice, which is complemented by shimmering, dreamy keyboards and a pulsing dance beat that pulls you into the melody of each of the songs. This is late-night dance music that will have you swaying on the dance floor in a euphoric haze.

The Weight of Your Heart is an impressive debut and Jonah Cordy has certainly been keeping busy since its release. Check out the Kites with Lights remix of *Pocket* featuring [Mark Burgess](#) (from the Chameleons) or the band's cover of " [Dream Attack](#)" from the forthcoming CD *Ceremony - A New Order Tribute*.
