Film Reviews: Behind the XXX (2010) - By Duane L. Martin

Posted on Wednesday, February 02, 2011 @ 01:44:47 Mountain Standard Time by Duane

Ok, I promised to review this DVD, but I'm not going to waste a whole lot of time on this one. Basically,

Behind the XXX is a behind the scenes look at various adult video shoots. That's it. So why am I not going to waste much time on this one? Because it's not really a film. All it really is, as I just said, is a bunch of behind the scenes clips from various porn shoots.

Now, if this had been done as an actual documentary, it might have been interesting. Unfortunately, it wasn't. What it essentially is, is a collection of clips shot during the production of various porn scenes. So basically, one guy with a camera, shooting another guy with a camera, shooting porn scenes. Mixed in with these clips, are segments of them talking to the people in the shoots. Not really interviews per se, more like conversations on camera.

Frankly, this release is a rather boring waste of time. For the few bits here and there that are a semi-

Behind the XXX (2010) - By Duane L. M...

interesting, it's just not even remotely worth the fifteen bucks they're asking for it. Honestly, this one should be relegated to being in one of those \$1 DVD boxes they have at Wal Mart sometimes, only Wal Mart wouldn't carry something like this.

Conclusion: Skip it.
