Cast & Crew:

Bob Dylan, Beatles, Mickey Jones, Bruce Langhorne, *directed by* Barry Feinstein, Joel Gilbert, D.A. Pennebaker [more »](#)

Synopsis:

Dylan fans will rejoice in this treasure trove of unseen photographs taken by legendary photographer, Barry Feinstein, on the famous 1966 and 1974 world tours. Accompanied by Feinstein, director Joel Gilbert takes audiences on a fascinating, illuminating exploration of both tours, as well as the down time in between, when Dylan lived a reclusive existence in Woodstock, NY. In addition to providing insight into the tours, the documentary chronicles Dylan's highs and lows, visiting Big Pink in Woodstock, and Greenwich Village, NY, and recreating the motorcycle accident that changed Dylan's life. RT SPOTLIGHTS

The Grudge

Study abroad programs have many virtues: you can see the world, enjoy varied cultural experiences, and get job training. Or, in the case of *The Grudge*, you can live in a terrifying haunted house. Now out on DVD.

Ice Cube

Former N.W.A. rapper Ice Cube starring in a family film? You got that right. You can see him on the big screen in the PG-rated comedy *Are We There Yet?*
