The *New York Times* called [Long Story Short](#) “Hilarious.” The *NY Observer* called the show “Hilarious.” The *New York Post* declared Colin Quinn “Hilarious.” And...well, you get the picture! [Colin Quinn: Long Story Short](#) is nothing short of hilarious.

In [Long Story Short](#), Colin Quinn focuses his “articulate brand of comedy” on the demise of empires, including our own. More than standup comedy, [Long Story Short](#) is a hilarious blend of incisive observation, sharp commentary, and Colin’s channeling of the personalities of the past. From Socrates to Snooki, Quinn is at his satirical best, taking on the attitudes, appetites and bad habits that toppled the world’s most powerful nations. Oh...and it’s directed by Jerry Seinfeld!

How exactly did Jerry Seinfeld get involved with the show?

In their own words: Lets hear Quinn and Seinfeld discuss the show together!
