### COLIN QUINN – “Long Story Short”

#### A One-Man Show

Amos Lassen

Colin Quinn is a very funny man and this is the video of his one-man show taped live. He looks at the history of the world as he sees it and he tackles some really interesting issues. He tells us that Julius Caesar was the original Italian mobster and he claims that Snooki and Costco are the result of what happened in ancient Greece. His satire is swift and biting and having been directed by Jerry Seinfeld, you already get an idea of what this is all about.

Nothing is sacred and he shows why some of the most powerful nations of the world collapsed. Quinn is a professional, polished and he has as much fun as we do.

I actually had to watch it three times because I was laughing so hard that I missed some of the great lines.
