IFC's cult hit *Portlandia* is returning for its second season on Jan. 6. But before that, the complete first season will be available on a Blu-ray/DVD combo package; it drops Dec. 6. And we're just a tad excited about that. How excited that we're going to celebrate by giving away three copies to you, dear Laughspinners!

Here's what you need to do in order to be eligible to win. Simply take a photo or shoot a video of you enjoying *L*. If it's a video, make it short so you can email it! — and send it to [contest@laughspin.com](mailto:contest@laughspin.com) with the subject line P

Also, please leave your full name and mailing address so if you win, we can, like, mail you the prize. The first th  
who send us an entry to our liking will win. Easy and fun, right?

The *Portlandia* combo package includes super fun bonus features like a blooper reel, extended scenes, deleted  
Armisen's speech to Oregon Episcopal School graduates, original ThunderAnt videos from which *Portlandia* spa  
commentary with Fred Armisen, Carrie Brownstien and director Jonathan Kriel throughout the show's six episo  
also a preview of season two! So good luck, readers!
