

CHINATOWN
(Limited Edition 4K Ultra HD/Blu-ray)

Paramount Presents
The haunting noir classic *Chinatown* celebrates its 50th anniversary this year and Paramount is marking the occasion with a Limited-Edition 4K Ultra HD release. Originally released on June 26, 1974, *Chinatown* received widespread critical acclaim along with 11 Oscar® nominations, including Best Picture. Robert Towne's brilliant Academy Award-winning screenplay weaves a tragic and shocking tale of corruption, greed, and the human propensity for evil. Powerhouse performances by Jack Nicholson, Faye Dunaway and John Huston, a riveting story inspired by real events, vivid imagery, and a stirring score combine to make an unforgettable film. Nicholson is unforgettable as private eye Jake Gittes, living off the murky moral climate of sunbaked, pre-war Southern California. Hired by a beautiful socialite (Dunaway) to investigate her husband's extra-marital affair, Gittes is swept into a maelstrom of double dealings and deadly deceptions, uncovering a web of personal and political scandals that come crashing together for one, unforgettable night. The exacting restoration was completed using the original camera negative, and the result is a sparkling presentation that uses more of the best possible source than previous masters and faithfully captures the film's distinctively dreamy and simultaneously realistic look.

**SOUTH PARK:
BIGGER, LONGER &
UNCUT - TEAM AMERICA:
WORLD POLICE**
(4K Ultra HD/Blu-ray + Digital)

Paramount Home Ent.
Celebrating 25 years of warping fragile little minds when the critically acclaimed, Academy Award-nominated *South Park: Bigger, Longer & Uncut*, will arrive on June 25 for the first time ever on 4K Ultra HD/Blu-ray Disc, from Paramount Home Entertainment. On June 30, 1999, creators Matt Stone and Trey Parker unleashed their wildly popular *South Park* characters on the big screen for the first time, holding up a mirror to society with their razor-sharp wit and asking the all-important question: "What would Brian Boitano do?" Twenty-five years later, *South Park: Bigger, Longer & Uncut*, remains as irreverent, insightful, and hilarious as when it first premiered. Stan, Kyle, Kenny, and Cartman sneak into an R-rated movie to see their favorite Canadian superstars. When their parents find out, they declare war on Canada. Now the boys have to stand up to their parents, stop World War II, and get Satan back to Hell before he destroys the world. It's all part of a young boy's life in this quiet little mountain town. Now, fans can enjoy the breathtaking animation, lyrical voice work, and show-stopping musical numbers. In celebration of its 25th Anniversary, the Sing-A-Long version of will debut in select theatres on June 23

and June 26. This year also marks the 20th anniversary of Trey Parker and Matt Stone's uproariously subversive *Team America: World Police*, which will also make its 4K Ultra HD debut on June 25th. The 4K Ultra HD/Blu-ray Combo includes access to a Digital copy of the film, the Uncensored and Unrated cut of the film on Blu-ray. Using puppetry techniques inspired by Gerry Anderson's Supermarionation sagas, "South Park" creators Trey Parker and Matt Stone skewer U.S. politics and celebrity activism with their hilarious and controversial satire about a high-tech international law enforcement agency that recruits a renowned Broadway thespian to help them mount a series of ill-conceived anti-terrorist campaigns. Parker and Stone provide voices along with Kristen Miller and Daran Norris.

FATHER'S DAY APPROACHES

My last Father's Day with my dad was in 1989, 35 long years ago. I think about him always but especially right now with his day approaching. I think many of those societal issues facing us today are a lack of fathers doing their job. Too many of them have no idea how to father their kids, too many others simply went AWOL.

I don't care what anybody says, children need both mothers and fathers parenting them, being role models and mentors.

**ANOTHER GREAT
DOT DAY PARADE**

Imaan Ali with Sal G.

On Sunday, June 2nd it was once again time for the Dorchester Day Parade. I was there doing up a parade story for the Dorchester-based *Boston City Paper*. I put together a story and photos in last week's *City Paper*. As usual, I was in the parade, too. I marched with different folks along the way. I had my photo taken with several friends. Right here, you can see a selfie taken with Imaan Ali, a "Cowgirl" from the Dot Tavern on Dorchester Avenue. I now wish I had worn my cowboy hat to the parade.

HERE'S A GOOD MUG SHOT

The mug came with two important messages. If you are a left-handed coffee drinker, the message on the cup says, "DAD FIXES EVERYTHING" and if you're right-handed, it reads "BEST DAD WE EVER SAW." The foundation of a society is the foundation begun in the family unit. We have too many broken families, the absence of two parents weakens the core values of our larger society.

It is time for dads to show up for duty because their children actually depend on them for not just love but for respect in themselves. Happy Father's Day to all the fathers out there.

**JUDGE JUDY
SLAMS SOFT DADS**

Judge Judy Sheindlin ripped progressive district attorneys for ruining major U.S. cities saying they're better suited for other jobs, like selling ice cream. "When you have district attorneys who are charged, whose job it is to do justice (keeping) communities safe ... when you have elected district attorneys who don't know what their job is, they should go find another job ... Fill ice cream cones but don't ruin cities."

During a 1993 interview, she was asked how she saw things changing in the next 10 years. "I said worse ... a lot worse and that is what's happening right now," she said.

**SOMETIMES I HAVE TO
SHUT OFF KUHNER**

I usually listen to Jeff Kuhner driving to work in the mornings but not always. On some subject matters we agree more but on others I wonder where he's coming from. Last Friday morning was one of those days for me. Kuhner was on the air ranting and raving over an interview Trump had with Dr. Phil. Personally I don't care what the good doctor has to say during his interviews. I switched over to 70s on 7 preferring good music

on this morning's commute. I wasn't willing to get angry so early in the morning. Maybe Jeff will get better Monday morning, I can always hope.

**WHO REMEMBERS
THE 1969 HIT SONG
"CAN'T FIND THE TIME"?**

This great tune was released in late 1968. It was a great hit song in my estimation by Bruce Arnold and his band Orpheus. However, it never rose high on the Billboard charts, BUT it was a Number 1 song right here in Boston. I never understood why Boston loved it so much but not the nation as a whole. I think it's because Boston has great taste in music!
