The

Three Stooges a name synonymous with zany antics! Well, now you can see Moe, Larry, Curly and Shemp's bumbling, eye-poking, hair-pulling in 3-D! Now I was excited when I got this DVD because I love the 3 Stooges! I have almost every short film and full length film they ever made on DVD and now to see them popping out of the screen; I was like I kid in a candy store!

The DVD features four public domain classics "Disorder in the Court", "Malice in the Palace", "Sing a song of six pants" and "Brideless Groom". Now there is no reason of going into detail on these short films because I think we all have seen them. When I got the DVD I popped it in the player and started watching, but sadly for me I couldn't see the 3-D effect! Whether this is just me or not I can't say! All I know is the boys antics weren't jumping off

the screen at me!

Now the DVD does feature the four shorts in good quality and the package includes one pair of 3-D glasses, but I just couldn't enjoy the 3-D effect! While I can't recommended it. I will say for under 12 bucks you can give it a shot with not to much strain on your wallet! So if your interested head over to [www.mvdb2b.com](http://www.mvdb2b.com) and pick up a copy.
