[DVD Review: Bob Dylan 1978-1989 – Both Ends Of The Rainbow](#)

Posted on May 24th, 2008

by [Simon Barrett](#) in [Coming soon](#), [Movie Reviews](#), [Music Reviews](#), [Reviews](#)

Read 1,029 times.

In 1965 Bob Dylan divided the world into the hip and the unhip, in 1979 he divided the world into the saved and the damned.

I love music, but I also enjoy hearing what others have to say about bands and performers. Both Ends Of The Rainbow takes a long hard look at Bob Dylan during a very pivotal and direction changing period of his career 1978-1989.

After over a decade of being Bob Dylan the folksy protester, overnight he became the born again religious zealot. A change that did not sit well with many fans. Certainly it can be argued that Bob Dylan version one had run his course, the protest songs of the 60's seemed somewhat out of place in the late 70's. It was time for a change of image, but few could have foreseen the direction that he headed in.

Slow Train released in 1979 received very mixed reactions both from fans and critics.

Both Ends Of The Rainbow explores in depth the mysterious world of Dylan. With a running time of 2 hours this DVD is the best value there is if you want to understand exactly what happened.

You can pick up your copy from [MVD](#).

Very interesting DVD. Thanks for telling me about it. Since you are a fan, I thought I'd tell you about something you might find of interest. It's my new novel, BLOOD ON THE TRACKS, which I think you'd enjoy.

It's a murder-mystery. But not just any rock superstar is knocking on heaven's door. The murdered rock legend is none other than Bob Dorian, an enigmatic, obtuse, inscrutable, well, you get the picture...

Suspects? Tons of them. The only problem is they're all characters in Bob's songs.

You can get a copy on Amazon.com or go "behind the tracks" at <http://www.bloodonthetracksnovel.com> to learn more about the book.

Hot Topics, In-Depth:

While BloggerNews.net is known to provide up to the minute information on a wide variety of topics, at times a more in-depth analysis of a topic that is being written about by our writers is warranted. This section of BNN provides just that – an area of the site that looks deeper into a topic, delves into the actual facts behind it, and provides more than just a summary overview of what is happening right here and now.

From something as mundane as an overview of how credit scores work, to life and death topics such as mesothelioma, we are committed to creating a growing library of information for our readers. Click below to review the topics covered so far, and check back soon as new ones are to be added regularly!
