

## **COLORFUL NEW DYLAN DOCUMENTARY ON THE WAY!**

A new **Bob Dylan** documentary focusing on his career between 1978-1989 will be in stores June 10. *Bob Dylan – 1978-1989: Both Ends of the Rainbow* spotlights a period in the singer's career some describe as his "most controversial, fascinating and misunderstood of all." Bonus material includes the Dylan Gospel interviews in which he speaks about his most intense period of Christianity.
