Bill Nelson & The Gentlemen Rocketeers

Live in Concert at Metropolis Studios, London Art-Rock HHHH If you know who Bill Nelson is, you must be a Be-Bop Deluxe fan. And if you're a Be-Bop Deluxe fan, you must know how special this is: More than 100 minutes of live footage from the prolific but reclusive singer-guitarist, recorded in a tiny London studio in 2001 and featuring a career-spanning set list anchored by highlights from his legendary '70s prog-rock outfit. Get it while you can.
