LYNN ANDERSON/Live at the Renaissance Center:

Anderson finally got off auto pilot and turns in a performance that has more going for it than someone paid her to leave a DAT running in the back of the room. Playing to an appreciative audience in Tennessee, the set card isn't top heavy on her hits, and she saves the best for last, but it's nice to see her still able to get back to form. Older country fans will enjoy this 2004 concert and feel relief they don't have to go to Branson to see her.
