

WARCHEST/Aftershock (MVD Audio) Some nice old school thrash metal that wasn't too far from a Testament sound. The singer sounds a bit like Chuck and the music is just got that Bay Area thrash sound that I loved so long ago. The crunchy riffs and vocals won me over in no time. No groove or nu metal crap is found on this baby. Just bone crushing riffs with pure thrash metal vocals behind it. Info: [www.mvdb2b.com](http://www.mvdb2b.com)
