

25 HATED: GG ALLIN AND THE MURDER JUNKIES (1994)

Deranged punk rock hero GG Allin in a nutshell: Heroin junkie. Sticks bottles up his ass. Takes shits on stage and rolls around in glass. Once slammed a microphone into his clenched mouth, breaking six of his own teeth. Lets hookers pee in his mouth. Spent time in jail for assaulting a young woman in Michigan. Adored by John Wayne Gacy. Died from a drug overdose on June 28, 1993. Sound like your cup of tea? Todd Phillips (*Old School*, *Starsky & Hutch*) made this disgustingly great documentary, "the highest-grossing student film of all time" according to *Box Office* magazine, while he was a film student at NYU. For real sickos, there's 50 minutes of bonus footage: "GG Allin Live At The Gas Station."

BETCHA DIDN'T KNOW After GG visited John Wayne Gacy in prison, Gacy told a mutual friend, "That GG, man, great kid, I like that guy a lot. Love him like a brother, but man, if he doesn't stink like the worst, pissiest-assed wino I've ever met in my life."

24 ROCK 'N' ROLL HIGH SCHOOL: ROCK ON EDITION (1979)

The Ramones star in this campy, racy tale about a bunch of loco students at the fictional Vince Lombardi High School. The anarchy is lead by vixenish rebel Riff Randell (P.J. Soles), who's so obsessed with the Ramones that she camps out—alone—to see them play live and fantasizes that they're in her bedroom while she's high on weed. To the delight of trench coat Mafiosos everywhere, the kids blow up the high school at the end while the Ramones play "Rock 'n' Roll High School."

BETCHA DIDN'T KNOW Producer Roger Corman originally wanted to make a movie called *Disco High*, but then he realized that blowing up a school to disco wouldn't pack the same punch.

23 MAYOR OF THE SUNSET STRIP (2003)

Self-proclaimed Mayor of the Sunset Strip Rodney "Rodney on the ROQ" Bingenheimer lets his freak flag fly while hobnobbing with the who's who in music, from the Monkees to Coldplay.

BETCHA DIDN'T KNOW After debuting at the IFP/Los Angeles Independent Film Festival in 2003, *Mayor* sold for \$1.3 million, making it the second highest-selling doc (after Michael Moore's *Bowling For Columbine*).

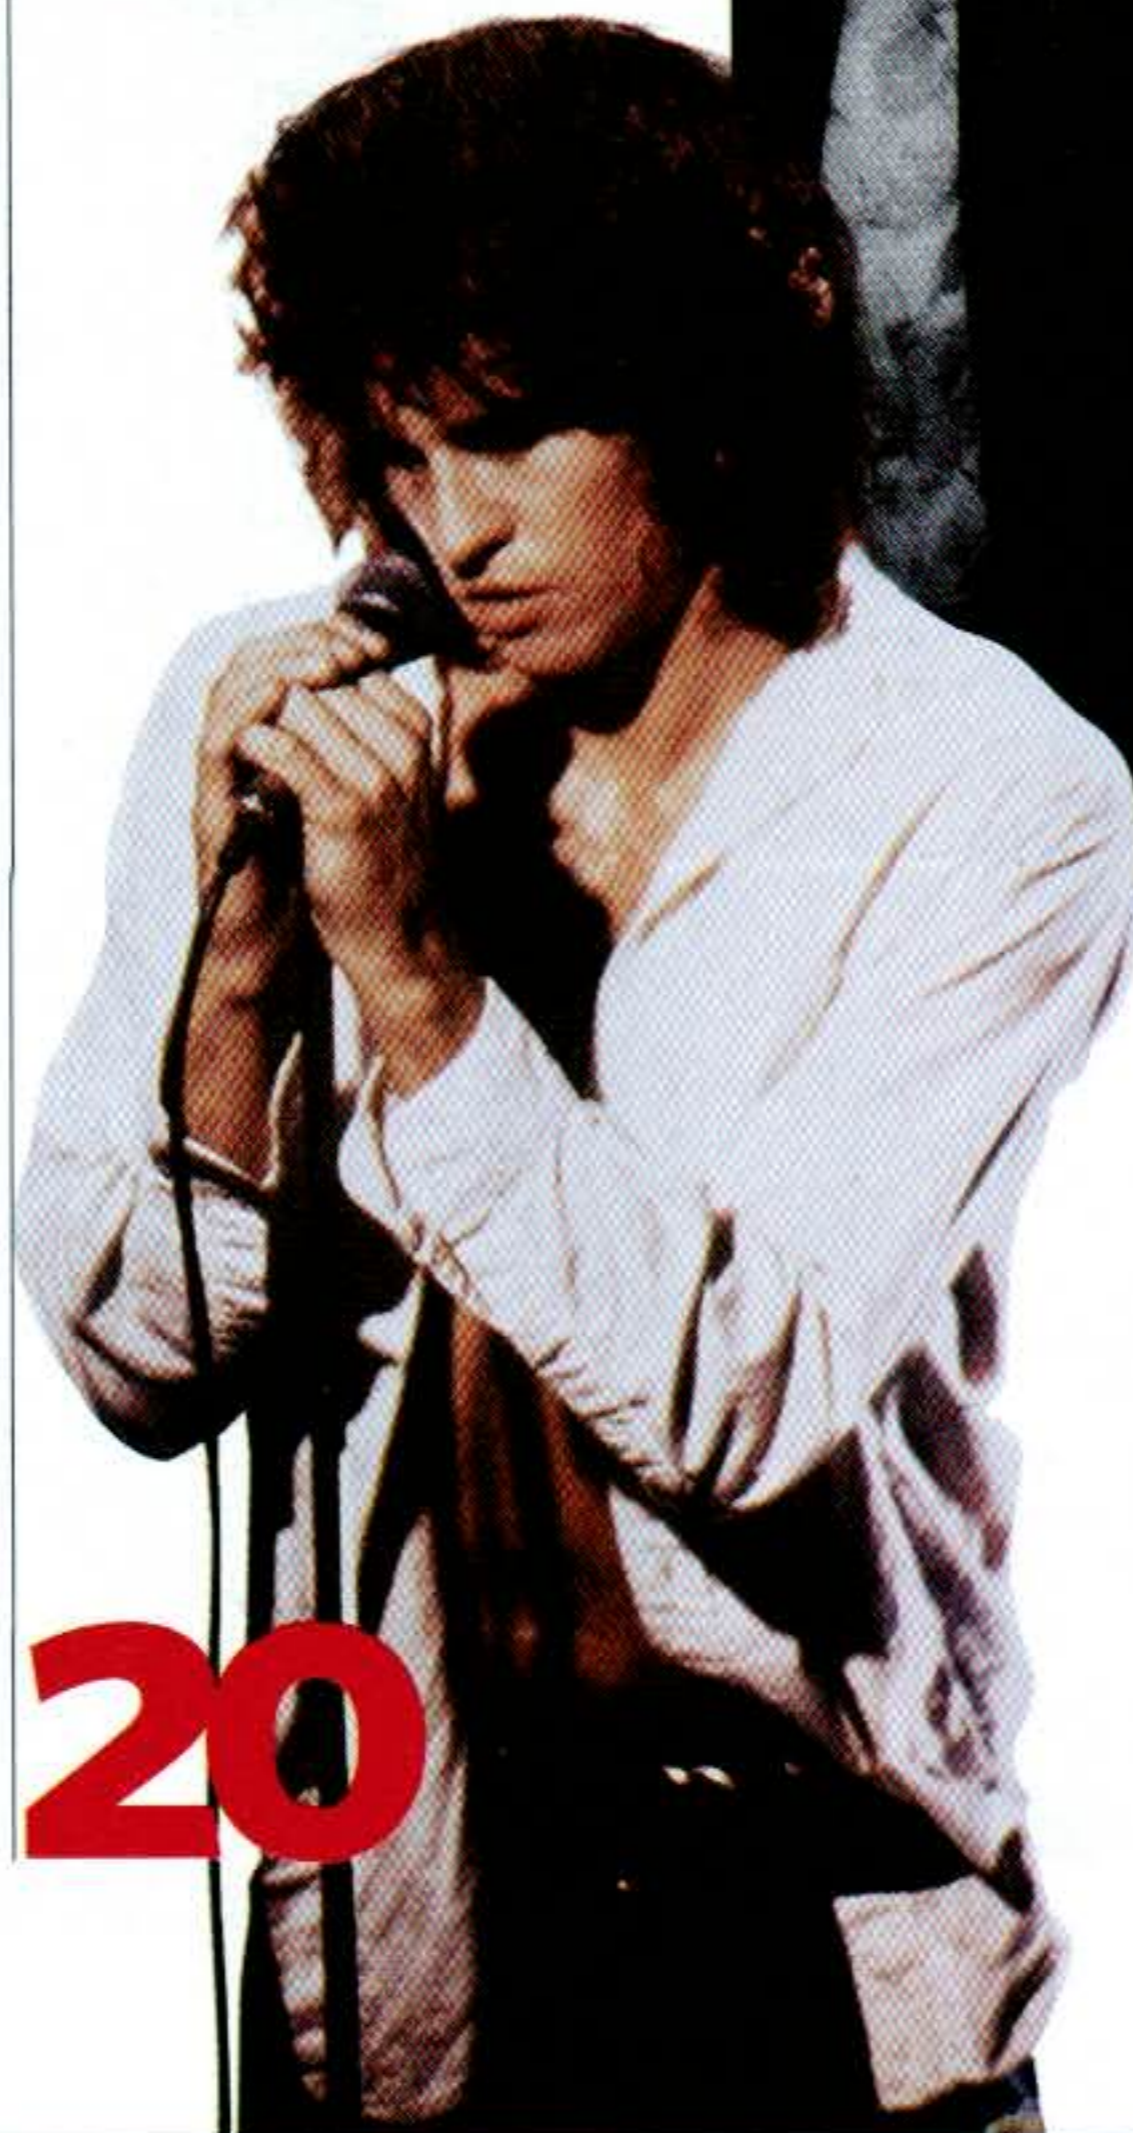

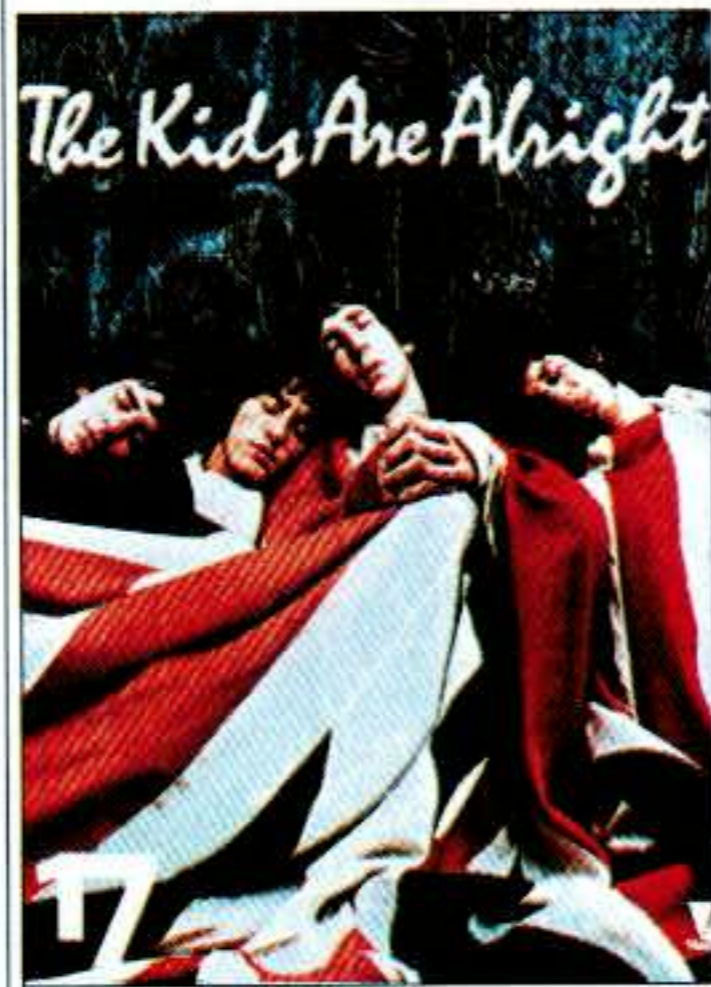

22 PURPLE RAIN (1984)

Prince wears purple, gets it on with Apollonia, goes crazy.

BETCHA DIDN'T KNOW The film almost received an X rating because of the sex scene between luscious singer Apollonia Kotero and Prince's little red corvette.

21 24 HOUR PARTY PEOPLE (2002)

Those crazy kids in Manchester, England just don't stop, as witnessed by music fanatic Tony Wilson, who sets up a record label with his

BETCHA DIDN'T KNOW The movie's perfectly appropriate tagline is "Genius. Poet. Twat."

20 THE DOORS (1991)

Oliver Stone's epic profile of the Doors, featuring Val Kilmer's tremendous performance as "Lizard King" Jim Morrison. Meg Ryan gets down and dirty as Jim's effed up girlfriend, Pamela Courson. Also on

board: Billy Idol, Kyle MacLachlan, Kevin Dillon, Michael Madsen, Mimi Rogers, Debi Mazar and Crispin Glover as Andy Warhol.

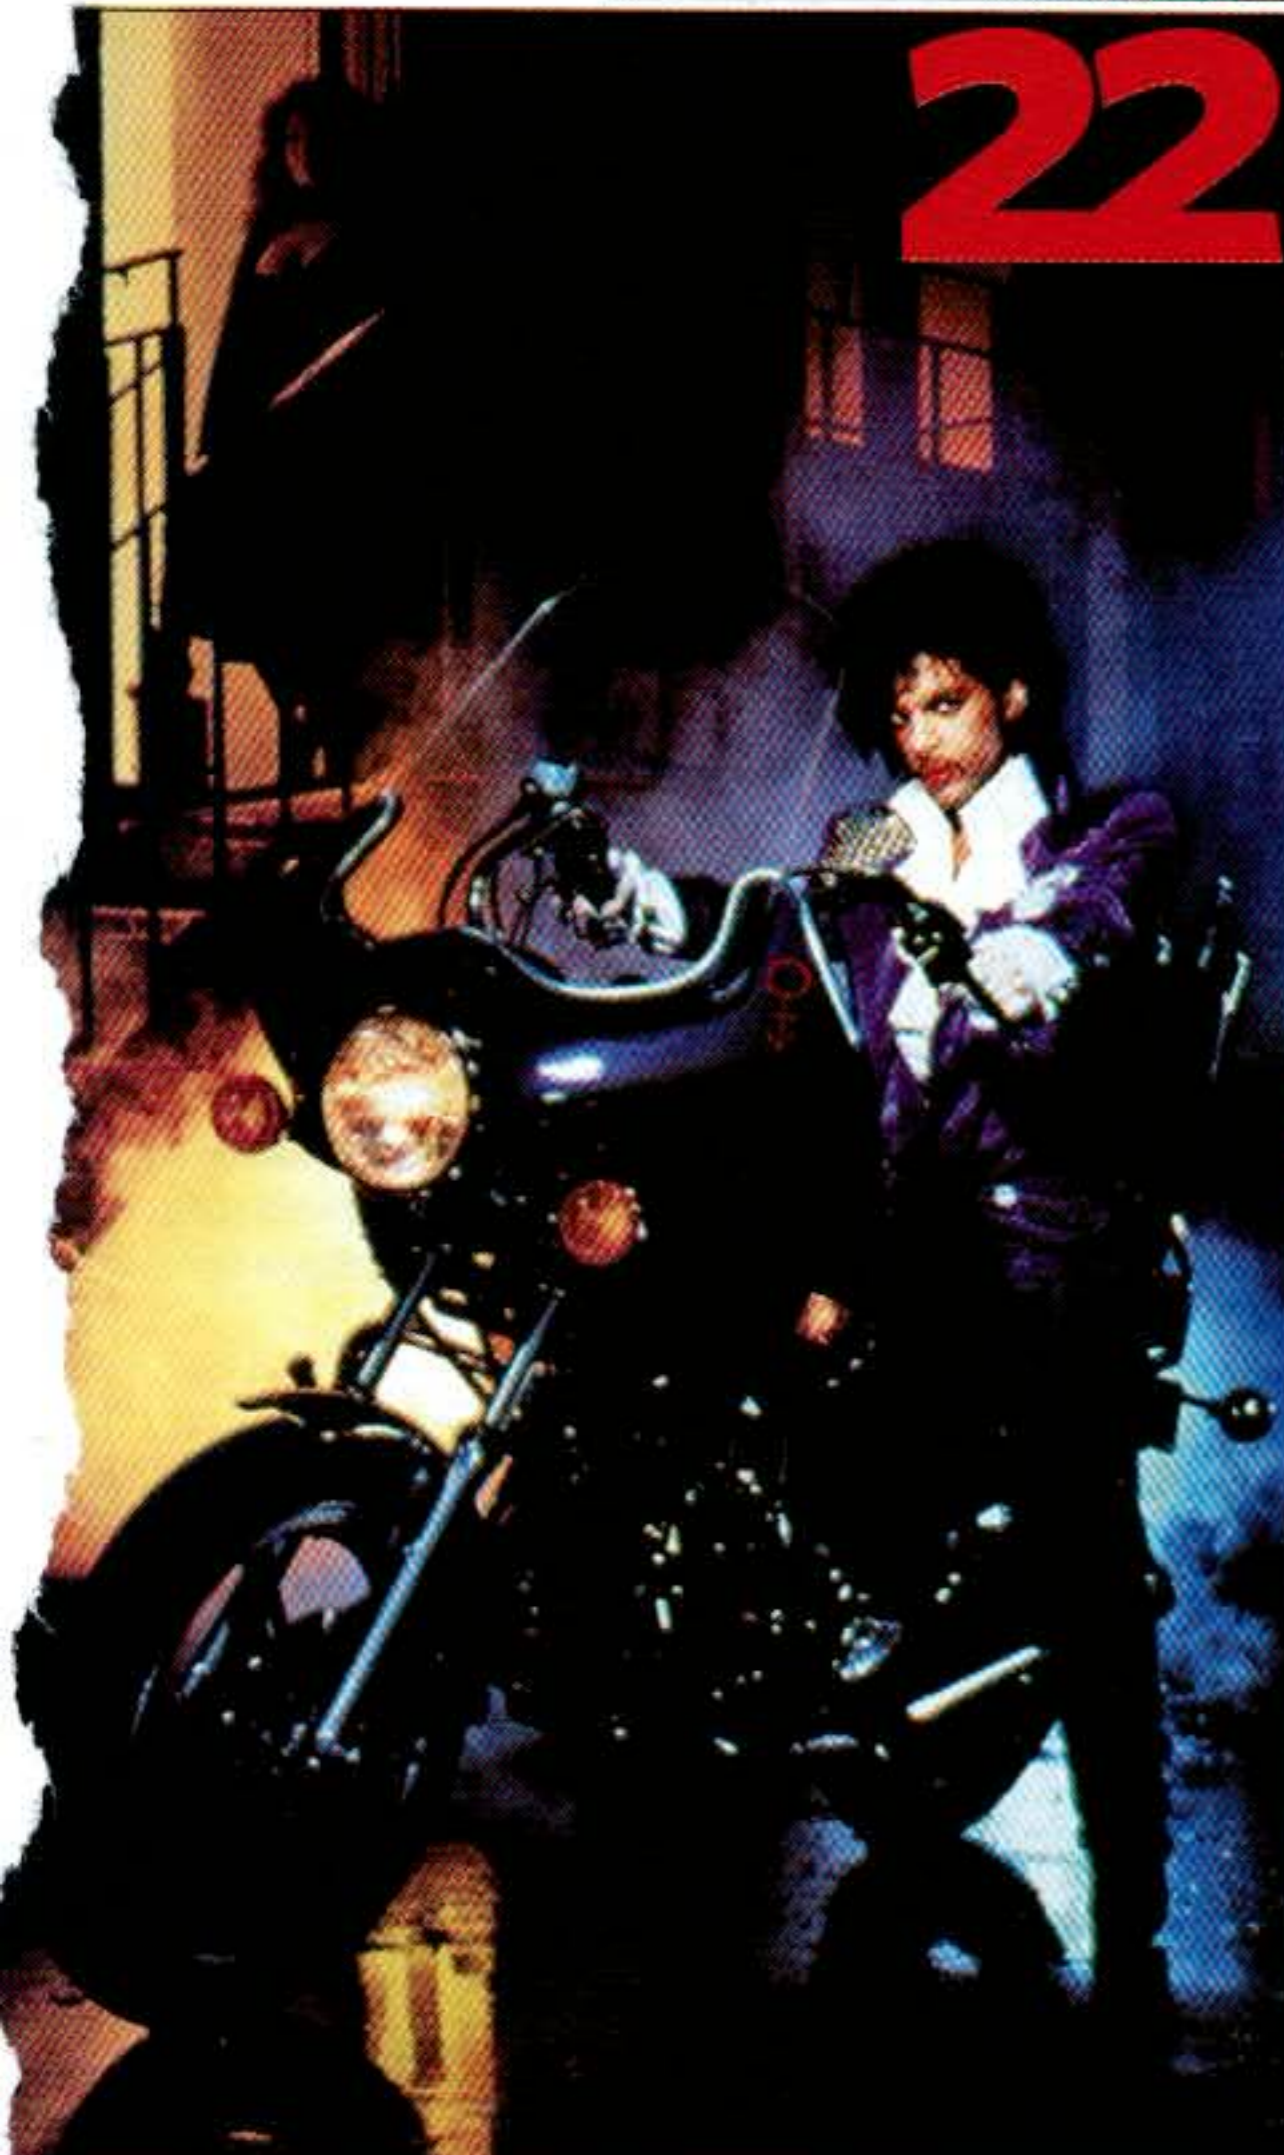

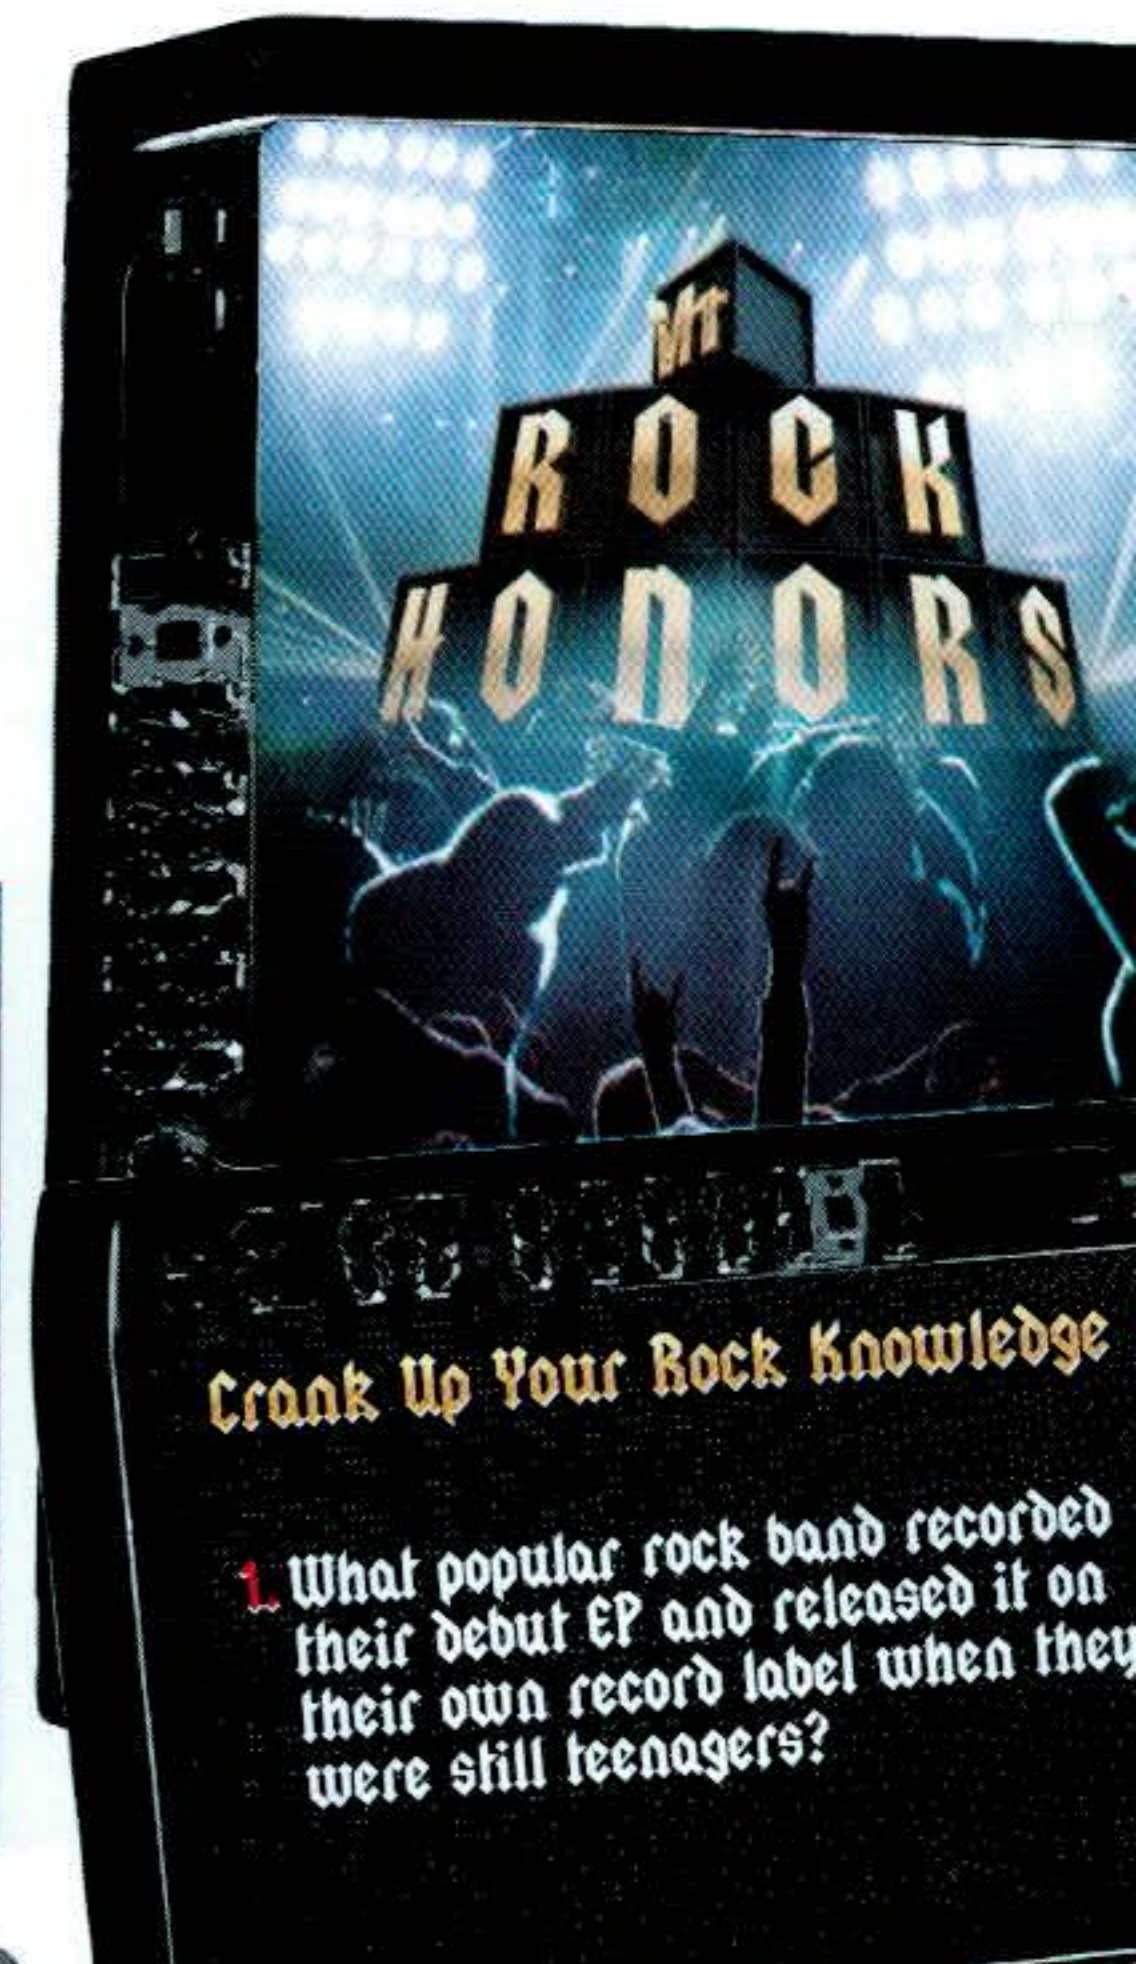

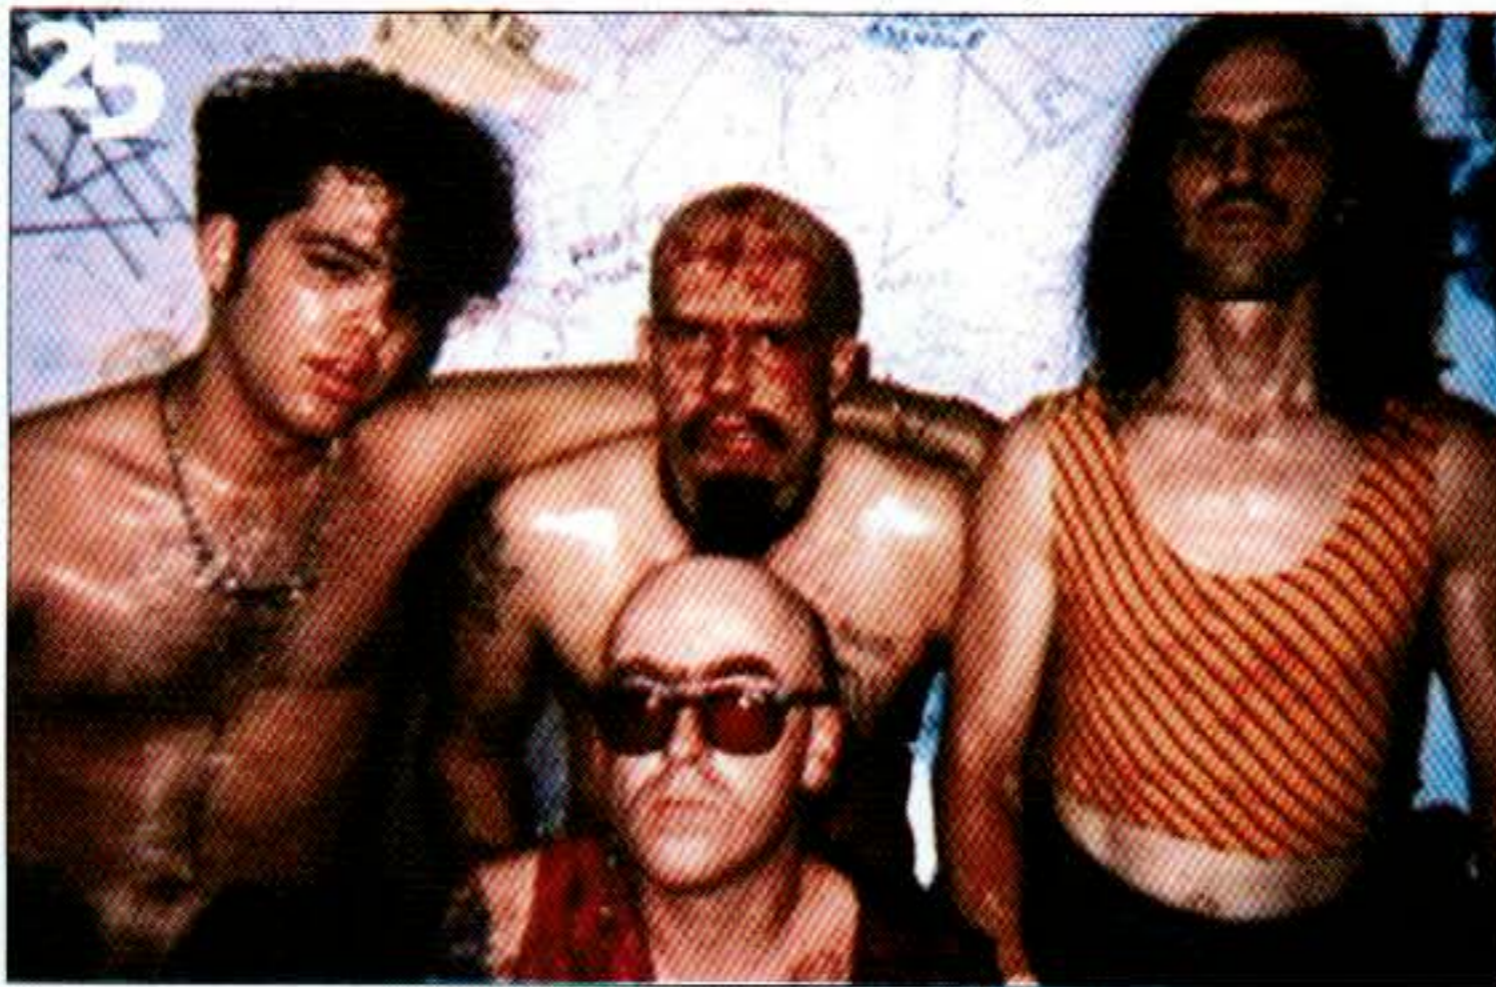

BETCHA DIDN'T KNOW Mr. Mojo Risin is an anagram of Jim Morrison.

19 NO DIRECTION HOME (2005)

The notoriously private Bob Dylan comes clean in Martin Scorsese's excellent documentary, which covers 1961 to 1966 and shows us the candid Dylan we've been dying to see.

outtakes from legendary filmmaker D.A. Pennebaker's famed 1967 Dylan documentary "Don't Look Back."

18 8 MILE (2002)

Eminem plays Jimmy "B-Rabbit" Smith, Jr. in this compelling, loosely-based life story. The best part of casting your own movie? Handpicking Brittany Murphy and Kim Basinger to play the two most important women in your life.

BETCHA DIDN'T KNOW The paper Jimmy writes on during his bus ride is the actual one Em wrote "Lose Yourself" on. The paper reportedly sold on eBay for \$10,000.

17 THE KIDS ARE ALRIGHT (1979)

An inside look at the life and times of the Who, featuring drummer Keith Moon's last performance with the group before he died.

BETCHA DIDN'T KNOW Funny guy Mike Myers has been cast as Keith Moon in the forthcoming Moon biopic. "Mike has very good ideas for this," Roger Daltrey has said. "He's got a lot of depth to his acting that he's never shown."
