## Illustrated Encyclopedia of Audio Terrorism

### AmRep A-Z- Dope, Guns & F##king up Your Videodeck, Vol. 1-3 1990-94 (2003)

In 2003, MVD Visual produced this DVD, which collected all videos from three volumes of original video compilations in digital format.

#### Description:

“From the mid-’80s thru the mid-’90s, Amphetamine Reptile Records defined the term “underground.” For blistering genre-creating sounds, graphics, and attitude, Amphetamine Reptile had no equal. Being far too raw for MTV, the label began what was then a first — the cheap self-published Video Comp. Enlisting the insane “Dr. Sphincter,” the “Dope, Guns...” video series documents a seminal movement in music history. Collected for the first time is the first three volumes and 15 additional videos! This is about as complete a visual history of a label can be. (Note: This DVD is Region 0 and playable worldwide!)

VOLUME 1 includes: Helmet, Helios Creed, Cows, Vertigo, King Snake Roost, God Bullies, Tar, Lubricated Goat, Surgery, Halo Of Flies.

VOLUME 2: Cows, Helios Creed, Surgery, Vertigo, Boss Hog, Tar, God Bullies, Cosmic Psychos, Boss Hog, Crows, Helmet.

VOLUME 3: Guzzard, Cows, Janitor Joe, Boss Hog, Chokebore, Hammerhead, Cosmic Psychos, Today Is The Day, Helmet, Melvins, Cows.

BONUS VIDEOS 1994 & later: Unsane, Lollipop, Servotron, Cosmic Psychos, Melvins, Supernova, Freedom Fighters, Feedtime, Today Is The Day, Gnomes Of Zurich, Chokebore, Unsane.”

#### Tracklist:

##### Dope volume one - 1990:

1. [Helmet](#) - Bad Mood
