

### **AMBROSIA 'REAL ARTISTS WORKING DVD'**

#### **(HOLLYWOOD MUSIC STORE/MUSICVIDEO DISTRIBUTORS)**

Just like the CHICAGO and REO SPEDWAGON DVDs in this new series, also this AMBROSIA DVD is an inside look at how the band is working in order to prepare for a concert. What you can see is direct interviews and performances of the band AMBROSIA, a typical 70s Westcoast US band a la PLAYER, THE EAGLES..., just before a show, so more of a backstage DVD this is as it features interviews with all bandmembers and how they prepare for a big show. It's a pity the actual shows are not included, because we have to be pleased with just short shots of the concert, of which then again 3 songs are in their full performance included. However, the main target is reached, because also this REAL ARTISTS WORKING DVD is a clear in-depth look how AMBROSIA works to make their concerts succesfull in the end of the day.
