

DEVO 'LIVE 1980 DUAL DISC' (MUSIC VIDEO DISTRIBUTORS)

DEVO was a really quirky New Wave band in the 1980s. Actually this was the first time I was exposed to their music. 'Live 1980' is a new release of DEVO, which is a DUAL DISC release featuring a live concert of the band shot in 1980, both visually (on DVD) and audio (on CD). It's only a pity the music of DEVO was not good, because this was the kind of quirky New Wave which gave 80s music a bad name. The DVD and CD are both of a high quality, but only interesting if you happen to like this DEVO. Then I had rather seen something of THE TUBES, a band who were able to combine visual quirkiness with good rockmusic. More info at: <http://www.musicvideodistributors.com>
