

DWARVES
FUCK YOU UP AND GET A LIFE (Grata) - DVD

Few live concert DVDs have any startling impact, but all rules are thrown out the window when it comes to the legendary Dwarves. Most know enough to stay away from one of rock's most incendiary outfits, preferring a safer concert going experience, but if nudity, wrasslin' and all things white trash mayhem is your cup of tea, then c'mon in. Best of all in this vicarious Dwarves experience, you get the full frontal intro to a crazed outfit that shows off a remarkable musical efficiency and crunchy drive that usually takes a back-seat to all the shenanigans. The Dwarves happen to be a kick ass rock and roll band, and here's actual proof. Now if you dare to venture for the real life experience then
