

# ROCK STARS FOR HIRE

New York Dolls-"All Dolled up" (MVD)

MVD is the top distributor of some of the best music DVD's around. And now they have one of the best New York Dolls documentaries out there. "All Dolled Up" gives you everything you ever wanted to see, hear or be told about the New York Dolls, one of the top punk legends. This goes behind the scenes, gets all close up in the face of New York Dolls, has interviews and live performances. If you are or know a huge New York Dolls fan then throw away all your other DVD's and get this one, because it's the only one you really need.
