released December 6, 2005

Description: The reclamation of The New York Dolls continues with the DVD release of previously unseen footage of this legendary NYC glam rock from the early 1970's. Shot by rock photographer Bob Gruen and his wife **Nadya Beck** over a period of three years, *New York Dolls - All Dolled Up* mixes interviews, backstage footage and general debauchery with live clips shot at NYC clubs Kenny's Castaways and Max's Kansas City and various West Coast venues.

The DVD includes 12 full performances, a narrated Photo Gallery by **Bob Gruen**, commentary tracks by Gruen, band leader **David Johansen** and guitarist **Sylvain Sylvain**, plus a 16 page booklet and other extras.
