## Video of the Dolls

in [Music](#)

With the recent release of [All Dolled Up](#), the DVD of legendary rock photographer Bob Gruen's very early black-&-white (really more like grey-&-white) you-are-there video footage of seminal slutty glam band the [New York Dolls](#), we've been nostalgic and teary-eyed around here lately for the excitement of those glory days in New York, and especially of Johnny Thunders when he was alive and kicking (but not kicking). With that in mind, WOW's Chris May coincidentally found this historical clip of Thunders with the Heartbreakers performing "[Chinese Rocks](#)" on [WFMU's blog](#) and sent it along to the WR. LAMF!
