LOUD NOTES - Weekly hard rock and heavy metal column in the Aquarian Weekly/East Coast Rocker, NJ (circulation 65,000)

Fans of Samhain can look forward to a new DVD titled "Samhain: Live 1984 - Stardust Ballroom". Samhain was a transition for Glenn Danzig between the Misfits and his current band Danzig. This DVD captures the intense beginning of SAMHAIN, "Live" on the heels of their debut album, Initium, at the now infamous Stardust Ballroom to a sell out crowd.
