## Samhain

Nov/Dec 2005

Samhain  
 LIVE 1984 DVD  
 Publisher - Evilive/Flipside  
 Review By Gary Strack

First off, this DVD has much better picture and sound quality than the VHS included with the SAMHAIN box set. It's more than just grey noise. Most of all, it's ideal for both SAMHAIN and Misfits fans because Misfits' fans will recognize about a third of the songs. These songs include: Horror Business, Halloween, and Die Die Die My Darling. The most unique and rare footage is Glenn Danzig playing guitar while singing "Archangel". This DVD contains raw and unpolished footage. It captures the intimate vibe as if you were at the show. This is where it all began...
