STYLE WARS

Award-winning 1983 film documents the New York streets and the graffiti artists whose visual language expressed individuality and the voice of the community. MCs and DJs rocked the city and street corner breakdance battles became performance art.

SAMHAIN • LIVE 1984

"...a moment in time, courtesy of Al Flipside who documented the first Samhain L.A. show at the now demolished Stardust Ballroom on Sunset in Hollywood. There is no overdubbing or audio correcting, just the raw live show in all of its pandemonium and insanity." —Glenn Danzig
