Wholly Crap, It's G.G. Allin

MusicOhio, with the help of **Music Video Distributors**, is putting out one of the hottest live DVDs we have seen in a while, **G.G. Allin!** And we are lucky enough to be giving away TWO copies of this unbelievably kick you in the ass, real punk DVD.

All you need to do to enter the contest is click [here](#) (contest @musicohio.com) and email us your favorite topping for bananas! For anyone that knows, G.G. used bananas to penetrate some oriface on stage, you use your imagination. So, we know what G.G. liked on his bananas, what do you>

Be sure to enter and tell your friends to enter! It's all in good fun and all with great prizes! Must be at least almost 1 year old to enter with the maturity level of me! Which is about 3 months! This really is a DVD that must be in every music lover's collection. Do not, I repeat, play this with rebellious kids around, as they just may burn down your and your neighbor's house!

Contest will run through Feb. 15, and then we can have another contest and another and another.. well, shit, you get the point. Anyway, for those who like to read and like G.G., check out Carlton Mellick, III's book Punk Land, where G.G. takes over the punk heaven from Sid Vicous!
