### **Bob Dylan: 1975-82-Rolling Thunder**

Director & Producer Joel Gilbert (Bob Dylan 1966 World Tour The Home Movies, 2003 and Bob Dylan World Tours 1966-1974 Through the Camera of Barry Feinstein, 2005) weaves the story of this monumental period of Dylan's life and music through revealing insider portraits, exclusive photos, live concert video clips and TV footage from 1975-1981, and with visits to Rundown Studios, the Muscle Shoals Sound Studio, the Vineyard Church, and the Fox Warfield Theatre.
