## Dylan - 1975-1981 Rolling Thunder & The Gospel Years

Many people believe Bob Dylan's creative genius reached a crescendo as he hit the road with a rag-tag band of folk troubadours in the 1975 on his Rolling Thunder Revue, but by 1978, he had been 'saved', joined the Vineyard Christian Fellowship Church and set about making three Gospel albums, winning a Grammy for *Gotta Serve Somebody* and alienating numerous fans along the way. *TotalMusic-Online* has three copies of the DVD delving into both sides of this dramatic period in Dylans life on offer for three lucky readers...

To get your hands on a copy of Dylan - 1975-1981 Rolling Thunder & The Gospel Years just answer this idiotically simple question...

## Who was the 'Hurricane' Dylan championed in 1975?
