Super-influential rasta-core pioneers [Bad Brains](#) are getting their first-ever home video. 'Bad Brains -- Live CBGB 1982' takes you back to the band's heyday with footage from their legendary Christmas stint at the world-famous gutter-punk mecca. Catch a screening in a city near you if you can, but if you can't, we'll have footage soon right here. Screening details after the jump.
