Jesse Malin & "a guy from bad brains" @ Continental + 'Live at CBGB 1982' Screenings

Its either the horrible weather, or just general exhaustion that keeps me missing so many shows I mean to go to lately. One such show was "Jesse Malin ([who just announced a new album](#)) + special guests" [last night at Continental](#). Were you there? If so, wWhat happened? I just found this:

...jesse was awesome, his keyboard player / harmony vocalist rocks. we saw a bit of his d generation bandmate's set, and saw one song with a **guy from bad brains**, but we got tired and took off... i'm sure the show went till 3am with tons of special-er guests..." [[Myspace Blog](#)]

And speaking of extinct clubs and Bad Brains, this is coming to [CD](#) and [DVD](#):

Bad Brains – Live CBGB 1982 displays why Bad Brains became one of the most important bands in the history of American Hardcore. On Christmas Eve 1982, Bad Brains began their three-day stint at a Hardcore Festival hosted by legendary CBGB. This DVD represents the very best of these shows, culled from over 4 hours of footage. Their live performances were legendary, their visual recordings were impossible to find. Now, for the first time on DVD, that powerful performance is revisited in extraordinary fashion.

There's a \$3.00 screening at at [Southpaw](#) in Brooklyn on Tuesday, September 19th at 9pm. There's [a preview clip on YouTube](#). All screenings everywhere, and more CD/DVD info, below....
