

Bad Brains *Live CBGB 1982* Coming to DVD, CD

Banned in D.C.? Then make your way to New York City, where **Bad Brains**, pillars of the American hardcore scene, spent Christmas Eve, 1982 kicking off a three-day stint at CBGB. Now, a DVD representing the best these gigs had to offer, *Bad Brains: Live CBGB 1982*, will be available for your viewing pleasure.

The disc, slated for stores on September 19, courtesy of **MVD Entertainment Group**, features 17 tracks and bonus material, including a series of 1982 interviews. Jack Rabid of Big Takeover magazine handled the liner notes. A CD featuring the same material will be released on Halloween through MVD.

In celebration of the DVD's release, MVD will screen *Bad Brains: Live CBGB 1982* at locations across the U.S. Aside from the show at Washington, D.C.'s Black Cat, all viewings are free to the public.
