THE NEW STORE (FINALLY!!!)

ropeadope nation rejoice - no more problems finding the ropeadope shirt, cd or accessory you want thanx to our **brand new store**. yes, it's true, after months of construction and destruction it's finally ready. so go on, don't be shy, just **click here** and start browsing. while you're there make sure to visit the new **blue note section**, the new **record store** and even the new old stuff like the **respects series** and the **worldwide homegrown**.

THE NEW STANDARD

charlie hunter takes over nyc's fabled **jazz standard** with a run of shows starting tonight and running through sunday night. a rare chance to see the **new trio** in a fantastic venue. **click here** for details. **click here** to get copperopolis. **click here** to do nothing.

BAD BRAINS 1982

in 1982 **bad brains** did 3 nights at cbgb's. all 3 nights were filmed. the best footage from these 3 performances is **coming out on dvd**. apparently the footage has been unavailable to the public for years. the website has some **excerpted footage** (.wmv file) that looks really intense and amazing. listen to: bad brains "**pay to cum**"

BEATS IN SPACE

stay four steps ahead of the fake beat junkies by trading notes with **tim sweeney's** beats in space project. the dfa agent always had the best radio show in nyc (on **wnyu**) and now the rest of the world can enjoy as beats in spaces is now archived and **ready for download**.

HAMID FROM IRAN

hamid the director continues to send messages of peace along with some great musical tips via his many emails to me and words. here are three of his latest tips - tons of **free downloads** from iriver sweet new sounds from **ali farka toure** and tasteful treats from the smart sounds of **songtone**. email **hamid** about life in iran.

AMERICAN IMMIGRANTS UNITE

of course, if you're shopping at our new store, you were already blown away by the ropeadope fall line - american immigrant. just in time for the **november elections** you will be blown up and back down by the truths of **abe**, **tio sam**, **the codetalkers** and more. **check it**.
