Pixies' 'loudQUIETloud' Screenings Announced

Posted Nov 7th 2006 10:04AM by [Mike Spinella](#)

Filed under: [News](#), [Film](#)

The new DVD 'loudQUIETloud' focuses on the hugely hyped 2004 return of alt-rock forefathers (and mother) the Pixies. The film promises to take an intimate look into the less-glamorous side of the sold-out tour, the reopening of old wounds and the drive to deliver the goods onstage. Keep reading for screening information in a town near you, the trailer and more.
