Music DVD Review: loudQUIETloud - The Pixies Reunion Tour

by [Lit band](#) (lit-band) @ Thu, 30 Nov 2006 03:00:28 -0500

Cut between the interview clips and the observation of the **band** members on the road are pieces of many of the concerts of the tour. They are well **lit** and well shot and the sound is impeccable (Dolby 5.1 surround). ...
