loudQUIETloud: A Film About the Pixies

when: Opens Fri 11.3
where: Music Box Theatre (3733 N Southport Ave, 773.871.6604)
price: \$9.25
details: [Event Info](#)

Sex, drugs, and rock 'n roll have long been the music-biz triumvirate, and Steven Cantor and Matthew Galkin's new documentary about the reunited Pixies gives plenty of screen time to 66% of that unholy trinity. The film proves that sobriety doesn't necessarily breed peace: even after a decade spent apart and fighting personal demons, [Kim Deal](#) remains haunted by her alcoholic past on the road, while [Frank Black](#) struggles with his roles as solo artist and band member. Part concert video, part doc, the film weighs whether the Pixies really were greater than the sum of their parts.
