

## Another Pixies DVD on Its Way

Are you drama-lovers ready to see Frank Black and Kim Deal at odds... in your very own living room? [loudQUIETloud](#), the [Pixies](#) reunion documentary that premiered earlier this year at South by Southwest's film festival, is now scheduled for a November 7 DVD release courtesy of [MVD](#).

The film follows the band's reunion tour, unveiling the hardships of life on the road. Cry me an effing river.

[As previously reported](#), another Pixies DVD, *Pixies: Acoustic - Live in Newport*, is also on its way. It will see release on Eagle Rock Entertainment come August 22.
