**MVD Entertainment Group, Stick Figure Productions, and Plan 9** have joined forces to bring to the public of Charlottesville the premiere screening of **loudQUIETloud – a film about the Pixies**. This FREE event will take place on Tuesday, November 7th at **Satellite Ballroom** (1435 University Ave. - Charlottesville, Virginia 22903). The screening will begin at 8pm and those who attend will be able to purchase a copy of the film on DVD at a special sale price.

**loudQUIETloud** is an intimate portrait of the band members and their difficult, tense and ultimately triumphant return as one of rock music's greatest bands.

When college rock darlings the **Pixies** broke up in 1992 on the cusp of mainstream success, their fans were shocked and dismayed. When the **Pixies** reunited in 2004, those same fans and legions of new listeners were ecstatic and filled with high hopes. **loudQUIETloud** follows the rehearsals and the warm up shows for the full-fledged, sold out reunion tour. It also catalogs, in the cinema verite style of the Rolling Stones' "Gimme Shelter" and Bob Dylan's "Don't Look Back", the less glamorous side of the touring band lifestyle, getting as close to this enigmatic act as anyone is ever likely to get. Old wounds have not completely healed and the extreme pressure of the tour takes its toll on the band, but nevertheless, they deliver the goods onstage.

**loudQUIETloud** captures the **Pixies**, their families and their fans in what seems to be a once in a lifetime chance at rock n roll redemption. Soundtrack by **Daniel Lanois**.
