FOR IMMEDIATE RELEASE

Special one time screening of
loudQUIETloud
a film about the PIXIES

at Cin[e]space

presented by MVD, Stick Figure Productions, and Amoeba

Saturday, November 11th - screening 5 pm

MVD Entertainment Group, Stick Figure Productions, and Amoeba have joined forces to bring to the public of Los Angeles the premiere of **loudQUIETloud – a film about the Pixies**. There will be a screening of this documentary at **Cin[e]space** (6356 Hollywood Blvd. 2nd Level, Hollywood, CA 90028 - www.cinespace.info) on Saturday, November 11th. The screening will begin at 5 pm. Capacity is 125, so seating is very limited and the doors will close after capacity has been reached. This event is FREE for the general public 21 years of age and older. Those who attend will be able to purchase a copy of the film on DVD at a special sale price.

loudQUIETloud is an intimate portrait of the band members and their difficult, tense and ultimately triumphant return as one of rock music's greatest bands.

When college rock darlings the **Pixies** broke up in 1992 on the cusp of mainstream success, their fans were shocked and dismayed. When the **Pixies** reunited in 2004, those same fans and legions of new listeners were ecstatic and filled with high hopes. **loudQUIETloud** follows the rehearsals and the warm up shows for the full-fledged, sold out reunion tour. It also catalogs, in the cinema verite style of the Rolling Stones' "Gimme Shelter" and Bob Dylan's "Don't Look Back", the less glamorous side of the touring band lifestyle, getting as close to this enigmatic act as anyone is ever likely to get. Old wounds have not completely healed and the extreme pressure of the tour takes its toll on the band, but nevertheless, they deliver the goods onstage.

loudQUIETloud captures the **Pixies**, their families and their fans in what seems to be a once in a lifetime chance at rock n roll redemption. Soundtrack by **Daniel Lanois**.
