Win Lydia Lunch Video Hysterie: 1978-2006 on DVD!

Posted on 07.13.08 by Widge @ 6:16 pm

Here's the DVD retrospective of Lydia Lunch and her musical collaborations which is 80 minutes of mostly live videos of performances. Because these are live performances starting from 1978 which were shot without any inkling as to the future and DVDs and this collection, you can rest assured that the quality of the video and audio is a bit off. And I know that people enter contests all the time without knowing what they're winning--but just bear in mind, Lunch has been in the experimental/punk musical scene since 1976. So if hearing tracks by bands with names like Teenage Jesus and the Jerks makes you raise an eyebrow, well, you've been warned.

Rules:

- 1) You have to fill out the form **properly** for the entry to be valid.
- 2) We are not going to give away or sell your address or e-mail address or anything without your permission.
- 3) You can only enter once a day. A day here means from midnight to midnight, Eastern Standard Time. For those of you who need it spelled out to you, that means one person per street address AND e-mail address. If we catch you trying to jive us on an entry, or if you enter more often than once during that day, we will throw out each and every one of your entries. And we will find you out. So.
- 4) Contest is open to U.S. and Canadian residents only who are 18 or over. Sorry.
- 5) Contest ends at 11:59PM EST, on Wednesday, August 13, 2008.
