### 'Rockers - 25th Anniversary Edition'

(Leroy "Horsemouth" Wallace, Richard "DirtyHarry" Hall, et al / DVD / NR / 2005 / Blue Sun Film Company)

**Overview:** Starring Leroy "Horsemouth" Wallace and Richard "DirtyHarry" Hall, *'Rockers'* is a Robin Hood style story of oppressed Jamaican musicians getting even with the "mafia types" in the business. Featuring Burning Spear, Bunny Wailer, Third World, Peter Tosh, Jacob Miller, Gregory Isaacs, Kiddus I, Junior Murvin, Inner Circle, the Heptones, & Abyssinians.

**DVD Verdict:** Well, it's about time this film got an upgrade! *'Rockers'* is a rough, rugged and raw look at Jamaica in the mid 70s, a time of extreme political unrest and economic desparation. Horsemouth (played by real life musician, Leroy 'Horsemouth' Wallace) is a Kingston drummer, known to be one of the best session players around. But times are hard inna the ghetto and Horsemouth can't get enough work to feed his children. After he convinces his very patient wife to give him her life savings, he purchases a motorcycle and travels the island as an independent promoter, distributing the hottest reggae tunes to the record stores starved for the latest rhythms. Everything is going smoothly until Horsemouth accidentally stumbles upon a massive burglary ring run by some shady "mafia boy" businessmen. But no worries, Rasta cyaan fail. With the help of his musical bredren (including Gregory Isaacs, Burning Spear, Jacob Miller, and a host of other reggae legends) Horsemouth triumphs in the end! This is a Widescreen Presentation (1.85:1) enhanced for 16x9 TVs and comes with the Special Features of:
