Rockers 25th Anniversary Edition (MVD/Blue Sun Film).

5 ribs-Caribbean Cuisine.

The Harder They Come has always been the movie mentioned when recalling Jamaican film. Anyone who says that has never seen Rockers. Rockers is the real deal. Chronicling Leroy "Horsemouth" Wallace as he hustles records on the back streets of Jamaica, Rockers is a Robin Hood style story of oppressed Jamaican musicians getting even with the "mafia types" in the business. The soundtrack is truly I rey featuring music by Burning Spear, Bunny Wailer, Third World, Peter Tosh, Jacob Miller, Gregory Isaacs, Kiddus I, Junior Murvin, Inner Circle, the Heptones, & Abyssinians. Rockers includes acting roles and appearances by Jacob Miller, Gregory Isaacs, Burning Spear, Kiddus I, Leroy Smart Richard "DirtyHarry" Hall and more. The 25th Anniversary of the film has been re-released in 5.1/DTS sound and is loaded with extra features. It also comes with a color booklet. *Will Jordan*
