The S/T debut album from The Workhorse III is a straight to the point, kick to the groin, hook filled, 12 song affair that is refreshingly urgent and raw. Their CD is set for release on July 13, 2010 and available worldwide via DRP Records and MVD Entertainment Group.

On Sunday, July 25, The Workhorse III will host their CD release show while opening for Batusis (Cheetah Chrome, Sylvain Sylvain, and members of Joan Jett and the Blackhearts). The show begins at 8pm at the M Room (15 W Girard Ave) and will be \$12 for admission.

their assault on the area's stages. Fronted by guitarist/singer Lisa Lynn and bassist Brian Bloemker (aka Blunker), the pair previously played together in the band, LisaChristSuperstar. Blunker also did time in the notorious Bad Luck 13 Riot Extravaganza for as long as he could physically bear. The pair are joined by ex-Limecell / Rancid Vat drummer Eric Perfect, who drives the songs into a ferocious storm of Rock and Roll abandon.
